Scatec Solar – the largest solar investor in Egypt

- Scatec Solar with Egypt's largest solar portfolio – the largest contributor in Benban, Upper Egypt:
 - Scatec Solar is one of the largest developers and operators of solar PV plants in Africa
 - Active in Egypt since 2014 – local office acts as regional hub for MENA
- Scatec Solar & Partners in Benban:
 - Compliance with Equator Principles and IFC performance standards
 - Unique model of sustainable collaboration with authorities and other solar PV developers in BenBan
 - Water-efficient methods of construction and operation & maintenance
 - 6 projects connecting to grid 2018-2019

SCATEC SOLAR PROJECT FACTS

- Capacity: 400 MWp
- Six projects co-located in Aswan area, Upper Egypt
- 25 year PPA signed with EETC
- Project Cost approx. USD 450 mill
- Estimated production: 870 GWh/year
- Debt finance from EBRD, ISDB, ICD, Green Climate Fund
- Major co-sponsors: Norfund and Africa 50
- Will avoid about 350,000 tons of CO2 emissions per year

Thank you
